

God is Easy

Willie K. Niles © 2006

Verse 1

You shouldn't be anxious for anything. God gives us whatever we need at the Precise moment it's needed. It's our season. God has preordained you and I to be where we are at this precise moment.

***Receive it and believe it.
Yes God is that easy.***

Chorus 2X's

***God is easy God is Love
God is easy God is Love
God is easy.***

Verse 2

God knew you before you were formed in your mother's womb. That's we walk in determination and divine order. None of our steps have will slide. We have stumbled and have been utterly cast down but our Heavenly Father has upheld us in his hand, that is why we walk in victory.

Our steps have been ordered by God, yes...God is that easy.

Chorus 2X's

***God is easy God is Love
God is easy God is Love
God is easy.***
