

He's Our Father
Willie K. Niles © 2006

***I know a man, who would give his love to you,
And all you have to do, is open up your heart, and He will come into you.***

***I know a man, I know a man,
Who will love you night and day.
He will be there always, yes He will
He will never go away.***

***I know a man, who will be right by your side, yes he will.
And all you have to do, is give your life to Him,
and He will be your guide.***

Chorus
***He's our Father, He loves us truly
And all you've got to do is believe in Him and receive Him
He will not forsake you, He will not desert you
He's gonna be right there, when ever you need Him too.***

He'll never leave you.

***I know a man, who will lead you down the right road, oh yeah.
And all you have to do, is open your heart,
and let Him come into your soul.***

***I know a man, I know a man,
Who will keep you sound and strong, oh yeah,
And all you have to do, is say ya name and pray
With Him you can't go wrong, no no.***

Chorus
***He's our Father, He loves us truly
And all you've got to do is believe in Him and receive Him
He will not forsake you, He will not desert you
He's gonna be right there, when ever you need Him too.***

I know a man, I know a man...oh oh
