

The Sheep And The Goats

Willie K. Niles © 2006

Verse1

*You spent time with me in the secret place
That's why from you me never hid me face.
With your heart you sought me early;
Cause you knew if you sought me early you'd find me
You were afflicted many times for right;
But me delivered you me won all fights
When they said you was wrong with what was right;
a standard me raised to lift them all to flight*

Bridge

*See me was hungry then you feed me.
When me was naked then you clothed me;
When me was in prison you came to see me.
Cause when you did to the least you see
That's when you did also unto me.
Enter unto my rest I receive thee;
Give me them crown they got the Victory*

Chorus

*If you tell God you're going to do it
Don't mess around with your vow get to it
When it comes to the things of God don't play Cause God is not mocked you'll
face him one day*

Verse2

*Listen up; me lookin at you and how proud you stand
but all you standin on is sinkin sand
With your knowledge and your PhD's
All your righteousness is filthy rag before me
Instead of telling em what they needed to hear
You told my people what they wanted to hear to soothe their itching ear now
When me said you'd be father of many nations me didn't mean for
You to lay down with the entire congregation*

Bridge

*Hungry did you feed me? When I was naked you no clothed me
When me was in prison you didn't come see me uh uh hold up wait a minute
EXCUSE ME!!!
When you did to the least you see that's when you did it also unto me.
Depart from me ye workers of iniquity. All liars & whoremongers will have their
place in the lake of fire wait and see.*
