

You Are My People
Willie K. Niles 1992©

Verse 1

*Want to know why things don't go your way;
Sent god your prayers and then got in the way
You're always down. People kick when already
You're on the ground.*

*God wants to help but he can't get thru it's not
Life it's not the people but it's you.*

*Don't be distressed. I'll see you thru.
Hear me child. This you must do;*

Chorus

*You are my people called by my name.
Humble yourself kneel down and pray
Seek my face. And turn from your wicked ways.*

*Then will I hear forgive your sin.
I'll understand wipe all your tears.
Open my eyes come down and heal the land.*

Verse 2

*Your prayers are strong clear and loud.
But doubt fear and worry overshadow like clouds.
You say you have faith;
Don't let trials overwhelm you by and by.
Listen my child don't criticize.
Cast out your beam clear your own eyes!*

*Don't be distressed. I'll see you thru.
Hear me child this you must do;*
